

# Your Free Home Loan Health Check

If you are buying a home, or if the interest rate on your current loan is too high, we invite you to have your home loan situation 'health checked' by us.

All you have to do is take a minute or two to complete this form and then send it back to us.

We'll then analyse loans from the banks and other leading lenders to find you the most suitable home loan we can. We'll call you with the result no later than five business days after receiving your form.

It's quick, it's easy... and it won't cost you a cent.
